Our WHOLE Story 2015-2023

Our Mission

The Tahoe Women's Community Fund is dedicated to building and engaging an inclusive and diverse membership committed to strengthen our community through the power of collective giving.

Through a simple grant making process, the annual proceeds from membership provide financial support to nonprofits that address pressing issues facing the communities on the South Shore of Lake Tahoe.

We are a collective giving organization intent on annually improving the work our amazing non-profits do here on the South Shore of Lake Tahoe.

350

thousand dollars in our endowment fund for future grants

91

different grants funded over past 8 years

628

thousand dollars have been donated back directly to our Tahoe community

Our History

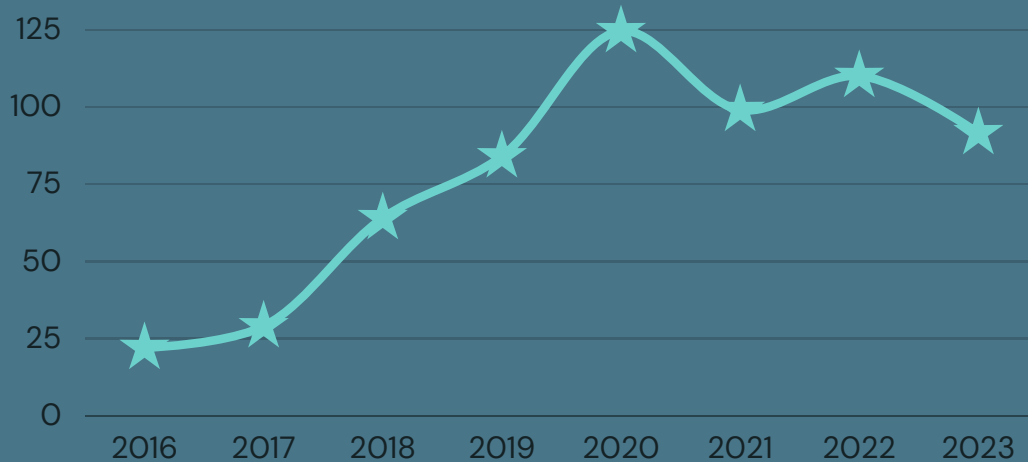

In the fall of 2015, 10 women sat down and learned about giving circles. With the support of El Dorado Community Foundation, and a large introductory dinner of 200 women, TWCF was born!

In the Spring of 2016, the 169 inaugural members donated \$22,000 back in the form of grants that over 30 nonprofits applied for.

Within 4 years, with the support of the wonderful Lisa Maloff, TWCF was granting \$100K or more out annually. This year, marked our 8th year of giving, and we have surpassed all of our founding members expectations in that we have given over \$628,500 back to our community!

We look forward to year 9 ('23-'24), where we hope to deliver our community with another \$100k in grants through our amazingly, philanthropic members!

Thank You Angel of Tahoe

The amazing impact **Lisa Maloff**, Tahoe's Angel of Tahoe, had over the last 5 years for Tahoe Women's Community Fund will never be forgotten. Each year, she contributed \$50,000 to our grant funding to match each of our roughly 200 members' donations! This allowed TWCF to consistently offer \$100K in grant opportunities to our nonprofits serving the South Shore of Lake Tahoe. Her contributions have spurred us all to be bigger philanthropists, and TWCF will carry her legacy on of contributing to our community annually! Our goal is \$100,000 or more every year...if you would like to become a **Super Sponsor** to support Lisa Maloff's legacy, please email us at tahoewomensfund@gmail.com.
